Bridging the Gap for our Young Adults

Young Adult Training Program

The Young Adult Training program seeks to:

- increase employment retention, and earning potential of participants,
- increase occupational skill attainment,
- improve the quality of the workforce,
- reduce welfare dependency, and
- enhance the productivity and competitiveness of young adults.

This program is designed to assist youth in obtaining a GED, high school diploma and/or occupational skills certificate to enter employment or post-secondary education; or to increase literacy for those who are basic skills deficient.

Program Details

The young adult training program is geared toward youth ages 16-24, who are out of school. The youth may also have graduated from high school or hold a GED and is seeking to enhance their basic skills, unemployed, or underemployed.

This program will provide young adults with quality educational and employment opportunities.
